

B. RAGHAVENDRA

Undergraduate Engineering Student
Ballari, Karnataka, India
+91-6363846307 — braghavendra856@gmail.com
[LinkedIn](#) — [GitHub](#) — [Portfolio](#)

Career Objective

Motivated undergraduate engineering student seeking internship and entry-level opportunities to apply technical knowledge and develop practical skills through real-world projects. Interested in software development, problem solving, emerging technologies, and building practical solutions to real-world problems.

Education

Bachelor of Engineering 2026 – 2029
Ballari Institute of Technology and Management (BITM) Ballari, Karnataka

- CGPA: **8.53**
- Relevant Coursework: Data Structures and Algorithms, Probability and Statistics, Operating Systems

Pre-University Course (12th) 2023
Sir M. Visvesvaraya PU College Ballari, Karnataka

- Percentage: **78.5%**

Projects

Smart Banking System *Python / Java / MySQL*
Developed a banking management system to manage account creation, customer records, deposits, withdrawals, balance tracking, and transaction records. Implemented structured data handling and transaction workflows to simulate core banking operations.

Women Safety SOS & GPS Alert Device *Arduino / GPS / GSM*
Developed a safety device with an SOS button that captures the user's GPS location when activated and sends an emergency alert containing location details to registered emergency contacts. Designed the system to enable quick location sharing during emergency situations.

Smart Attendance Tracker *Python / MySQL*
Developed an attendance tracking system to record and manage student attendance efficiently. Implemented automated attendance recording and organized attendance data for easier monitoring and reporting.

Technical Skills

Programming Languages	Python, C, C++, Java, JavaScript
Core Concepts	Data Structures and Algorithms, Object-Oriented Programming, Problem Solving
Web Technologies	HTML, CSS, JavaScript, React, Node.js
Databases	MySQL, PostgreSQL, MongoDB
Tools	Git, GitHub, VS Code, Linux, Postman
Other	REST APIs, Basic Machine Learning, Data Analysis

Certifications

- **Python Programming** – Great Learning, 2025
- **Introduction to C Programming** – Great Learning, 2025
- **Introduction to JavaScript** – Simplilearn, 2025
- **Git and GitHub Fundamentals** – Simplilearn, 2025

Achievements

- Maintained a strong academic record with a CGPA of **8.53** in the undergraduate engineering program.
- Successfully developed and presented multiple academic projects involving software development and embedded systems.
- Participated in college-level technical activities and project-based learning programs.
- Completed multiple beginner-level programming and technology certifications to strengthen practical technical skills.

Positions of Responsibility

- **Class Representative** – Department / Class, BITM, 2025–2026
- **Technical Event Volunteer** – College Technical Events, BITM, 2025–2026
- **Project Team Member** – Academic Project Team, BITM, 2025–2026

Additional Information

- **Languages:** English, Kannada, Hindi
- **Interests:** Software Development, Technology, Problem Solving, Learning New Technologies
